

# 3D-Artist Data Prep (m/f/d)

We are looking for a 3D artist to expand our data prep team in Ostfildern, who enjoys creating complex 3D models.

## Your Profile

Successfully completed a training as a 3D artist (preferably Autodesk Maya). Experience in modeling complex forms. Interest in vehicle visualization. Quick comprehension and high commitment. Knowledge of shader creation (Vray) and rigging.

## Your New Job

Conversion and data preparation of geometries on the basis of CAD data. Interconnection of product logic using in-house software (e.g. for online configurators). Creation of 3D models and renderings. Co-design workflows for exciting projects.

## About eder

Pleasant working atmosphere. Real team spirit. Flexible working hours. Open corporate culture with flat hierarchies. Interesting customer portfolio. Renowned top customers. Sustainable career and development concept. ShoppingCard. Guardian angel concept.

We are a forward-thinking, innovative media service provider that primarily serves customers from the automotive industry. For well-known brand companies we create media for product communication from the conception to the finished content.
