

3D Pipeline Developer (m/f/d)

We are looking for a dedicated 3D pipeline developer for our location in Ostfildern.

Your Profile

Completed studies (e.g. Print Media Management) or a comparable qualification.
Experience in conception, programming and implementation of 3D pipelines.
Good knowledge in Python, C# or C+.

Your New Job

Further development and maintenance of our intern production pipeline and In-house tools. Work with SQL and NoSQL databases.
Conceptual desing and implementation of new workflows.
Analysis and improvement of existing processes.
Technical support for production teams.

About eder

Pleasant working atmosphere. Real team spirit. Flexible working hours.
Open corporate culture with flat hierarchies. Interesting customer portfolio.
Renowned top customers. Sustainable career and development concept.
ShoppingCard. Guardian angel concept.

We are a forward-thinking, innovative media service provider that primarily serves customers from the automotive industry. For well-known brand companies we create media for product communication from the conception to the finished content.
