

Apprenticeship IT Specialist

Specialization Application Development (m/f/d)

Seize the chance and give your future the decisive direction!

At our headquarters in Ostfildern we offer a training position for 01.09.2021 for IT specialist. The in-company training lasts three years, theoretical content is taught at the vocational school. Practical skills are acquired by working in the company.

Your Profile

Good school (subject-related A-levels, A-levels, secondary school).

Technical affinity in IT. Enthusiasm for programming and mathematical-technical tasks.

Commitment, strong communication skills and quick thinking.

A structured way of working and initiative.

Your New Job

Programming of web applications and internal applications. Development of customer-specific software solutions and interfaces to existing applications, with the task areas design, programming, testing, implementation and documentation. Maintenance of internal IT systems, databases and storage solutions.

About eder
